

## **Minutes – TEEM meeting 6 December 2018**

Egremont Town Hall ó 9:15 AM

Present: EMD McCormick; Chief Schneider; Dep. Chief Turner; Lt. D. Buell MSP; W. Hathaway SBVAS; T. Reynolds; J. Noe

### **Old Business:**

Mount Washington Board of Selectmen Chairman Brian Tobin called in to discuss the 911 numbering system in Mount Washington. Most properties in Mt. Washington have 911 signs; he has surveyed all the town roads. There were maps developed a few years ago which showed locations of structures and their numbers.

Responders have concerns about being able to locate a specific property without having to spend extra time doing so.

Another meeting will be scheduled to pursue a solution to these concerns.

### **Miscellaneous:**

Meeting adjourned at 10:50AM.
